Dates Entry:

This is how the Dates are entered in the entire application process. When you click the button on the right of the date field, a calendar appears and by using the arrow keys on both sides, you can select your required month and then select the day. Upon click back at the same button the calendar will be closed and you will see the new inserted date in the date field.

When you are adding the Profile Picture, please make sure you have a digital file of your portrait picture in your computer as by clicking the Browse button, you be then required to click that file and select open.

Upload the relevant documents:

Upload documents in jpg / jpeg format only.

Note: If information submitted is found wrong, mismatched or forged, the application will be rejected and training if started will be discontinued with no right of appeal at institution/government level. All attached images should be readable otherwise application form will be rejected.

Please note that system will only accept a file size less than 500 KB. If you have a larger picture, Read the following note.

Important Note: Many users find it difficult to check the size of their portrait pictures and large scanned pictures are not accepted by the system, so it is important to have a portrait picture which is web-friendly. For this purpose, use https://compressjpeg.com/ to compress your picture in a web-friendly size.

Disability Quota:

If you apply for disability quota then click on below radio button.

* Do you want to apply for disability quota?

🔾 Yes 🛛 💿 No

Important Note: If you select "Yes" you will only be considered for disable quota. That means you won't be able to apply in any other quota/general quota.

Step 2 Education:

If you have Local/Recognized education please select that option, and in case of education from any foreign country, kindly select the Foreign from the radio buttons as show below.

Please fill all the fields and attached necessary documents against each year. Total marks and obtained marks should be inclusive of Pakistan Studies and Islamiyat marks. All the DMC Images should be reduced to 500KB otherwise system will not accept it and you will not be able to proceed further.

If you are a Foreign University Graduate, you will see the following form. You will have to submit PMDC Equivalent Result document as a proof. Kindly make sure to fill all the fields with the exact information as the system can reject your entry after verifications. Attempts and percentage marks of MBBS also entered through dropdown (You can view it from your DMC of any professional)
